

Carpe Jugulum: Discworld, Book 23

Mightily Oats has not picked a good time to be a priest. He thought hed come to the mountain kingdom of Lancre for a simple little religious ceremony. Now hes caught between vampires and witches, and hes not sure there is a right side. There are the witches: young Agnes, who is really in two minds about everything; Magrat, who is trying to combine witchcraft and nappies; Nanny Ogg, who is far too knowing; and Granny Weatherwax, who is big trouble. And the vampires are intelligent, with fancy waistcoats and lots of style. Theyre out of the casket and want a bite of the future.
