

Enchanted (The Donovan Legacy)

AVAILABLE DIGITALLY FOR THE FIRST TIME All Rowan Murray wants is some quiet time to herself. Time to work out what she really wants from life. So when a friend offers her a remote but cosy cabin on the wild coast of Oregon, she jumps at the chance of a few months away. But now shes alone in the woods its not quite what she dreamed of. And in fact, shes not entirely alone. She has a neighbour - the mysterious, temperamental Liam Donovan. Theres something dark and enigmatic about Liam - as elusive and intriguing as the mysterious wolf thats been lurking about the cottage. Rowan feels drawn to Liam despite herself. But can she accept his extraordinary secret? And more to the point - can she really trust him? Enchanted can be read as an enthralling standalone novel. It is also the final book in The Donovan Legacy, which features cousins Morgana, Sebastian, Anastasia and Liam. The series begins with Captivated and continues with Entranced and Charmed - all now available as eBooks for the first time. Includes a preview of Whiskey Beach, published in April 2013
