

## Meserie! (Romanian Edition)

Meserie! este un festin al comicalului. (Kingsley Amis) In romanul sau, Lodge imbina observarea atenta a fenomenului social, pe care-o preia de la John Updike, cu umorul spumos al lui Philip Roth. (Newsday) Un roman de o nemasurata inteligenta, tulburator si foarte amuzant in acelasi timp. Cartea confirma, o data in plus, marele talent satiric al lui David Lodge. (The Observer) In Meserie!, romanul de campus se intretaie cu romanul industrial. Povestea de dragoste dintre inginerul Vic Wilcox si universitara Robyn Penrose este de un comic inepuizabil.
