

## Colorado Guide, 2nd Edition

Colorado is one of Americas top year-round destinations. This guide begins in the bustling cities of Denver, Boulder and Colorado Springs, before heading for the hills and Colorados remarkable High Country, a gigantic mountain playground with resorts such as Aspen, Vail and Steamboat Springs. The author presents an insiders view of the best hotels and restaurants at prices to suit all pockets, and builds his suggested itineraries to cover all the major sights for the independent traveller. Secluded inns and hideaways, guest ranches and charming B&Bs are all described in detail amongst the advice on how to travel the roads to see the scenic wonders of the Rockies and the eroded wonders of the western state.
