

## The Share Conspiracy

This is a classic case of frustration leading to a vigilante gang taking actions resulting in a novel solution to the Japanese auto invasion and the disappearing manufacturing base in America. Mike Strafford loses his job as his company and industry ignore the coming invasion of Japanese auto into America. He forms a gang of five to take the fight to the Japanese and starting in 1989 with the help of the Yakuza, the Japanese mafia, Mike and his team sabotage production facilities, new model launches and marketing campaigns. The gang's actions yield results but the gang meets danger, jail, love and death along the way. The book is a three-continent action-adventure based on the devastating headlines from today's news.
