

## Longstreet Highroad Guide to the Florida Keys & Everglades

An astonishing amount of geological information -- as well as excellent information on historic sites, beaches, places to stay, and places to eat -- abound in this series of coastal guides. The books feature the best the coast has to offer in a comprehensive and concise format. More than twenty maps guide the reader in an easy-to-follow design. The reader will have fun learning about the flora and fauna of the coast, as well as the geology and natural history of each area. Illustrations, sidebars of unique information, and photographs make this a very pleasing book to look through and read.
