Proceed with caution. **READING ORDER** Letting Go Hiding Away Letting Go of You Fading Away Letting Go of Us ~ Author Skye Turner: There is drama, romance, HOT sex, heartbreak, humor, and love in many forms in Hiding Away. I actually loved this book and to me, it emotionally involved me even moreso than Letting Go. Please note, this book does involve a major cliffhanger and you may feel the need to throw your Kindle across the room (or message the author, cussing) when you are done reading, but that should NOT deter you from grabbing this novella. Who do you trust, and who do you love, when the secrets of your past are so painful that youre Hiding Away? Jane Whitford had everything she ever wanted, at her fingertips, when it was violently ripped away. The man who was supposed to love her turned into a monster. Broken and bruised, she fled his clutches back to her hometown. Love is the last thing she wants when she meets Cal. The only thing on her mind, is fun, and lots of it. Will she open her heart to him before its too late? Calvin Charles is a cop on the streets, working hard to achieve his goal of joining SWAT. He strives to live with no regrets and has everything he needs; friends, family, and the occasional woman to warm his bed. Until he meets Jane, and she quickly becomes everything he wants. Will he be able to get her to open up when shes convinced that exposing her secrets will cost her his love and respect? Will his love be strong enough to survive? Or will her secrets be the death of him?
