

Lord Jim (Spanish Edition)

Escrita en 1900, Lord Jim es la gran novela que aborda el tenue filo que separa las dos caras de una misma moneda: la cobardía y el valor. Marcado por un trágico incidente en el que se ve envuelto en una de sus travesías como piloto, Jim arrastra como una losa, mas con la dignidad de que solo son capaces los personajes trazados por Joseph Conrad (1857-1924), el juicio que tanto la sociedad como el mismo formulan sobre su comportamiento en aquella ocasión. El destino, sin embargo, pondrá inesperadamente a su alcance la oportunidad de alcanzar la redención personal.
