

## Wifey: Tales of the making of a Contract Killer (Tales of a Contract Killer) (Volume 1)

I have always wanted love. As a little girl, I thought about my knight in shining armor. Oh, wait scratch that. I have always thought about the woman that would eventually become my wife and share the rest of my life with me. Along the way, I found a few hopefuls that turned into duds. But in my search, I have made some great friends. Since as far back as I can remember it has been the three stooges, Breana my lover, Sabreana my bodyguard, and myself Malicia, the hopeless romantic. Yes, these girls and I have been through so much in our lives. But our friendship has never wavered. We all met in elementary school and remained friends throughout college. Shoot! I forgot to mention that we picked up a stray in college. Her name is Jalisa. I fell in love with her at first sight, but of course, she was straight! So she became my little sister, I actually became her protector. Imagine that me someones protector. That is too funny. Anyway, this story is about us. The educated Contract Killers also known as the Ghost Squad! We wanted to share where we come from and how we ended up becoming killers for hire. Many people stay on the straight and narrow in life. Well we did but we also choose the forbidden path also. So sit back and get to know us on a personal level as we tell you all about us. And in a later book, I will take you into the darker world of the contract kills we did.
