

Golden Vengeance (Lucky Dawson series) (Volume 1)

Lucky Dawson knew that he should have just kept on riding. How could a little conversation, a meal and a card game lead to a hanging. His hanging to be exact. In 1885, Montanans didnt like card cheats but he wasnt one. He was just, well, lucky. The other players didnt think so and that started the ordeal. Bonus selection of Battle for No Mans Land Slim Raymond had a good business and a good wife but he couldnt measure up to his father-in-law. He talked his wife into moving to a new territory where the land was free for the taking. The only problem was holding on to it. If Mother Nature or the insects or the animals didnt try to get it back, there were the Road Trotters. They were the worst plague of all.
