

Crown Me (Royals Saga)

The New York Times and USA Today bestselling series continues.... As the world tried to tear us apart, Alexander fought for me, claiming me as his own. I belong to him?body, heart, and soul. I found strength in his dominance. In his control. In his love. Still I could always feel it: the darkness creeping toward our joy, threatening to overcome us. But I never imagined it would end like this. I thought I knew what marrying Alexander meant to my life. To my independence. To us. I was wrong. Ripped apart by tragedy, fighting for love, Clara and Alexander face their darkest hour in the stunning conclusion to their saga.
