

Cruising Guide to the Florida Keys

If you are looking for complete information on the Florida Keys in one combined volume then look no further. This guide is a colorfully written, educational and informative tool for boaters, divers, students and tourists alike. It includes information on marinas, anchorages, artificial reefs, fishing, swimming with the dolphins, historical sites and restaurants. It is all laid out in an easy reference format with a chapter devoted to each Key including color aerial photographs, 42 detailed sketch charts of the islands, an identification chart of prominent fish in the Keys along with navigational secrets that stretch from Miami down to Dry Tortugas. This book is compiled and written by the seasoned sailing captain and naturalist Frank Papy. This new 14th edition is produced in full color which is the only way to capture the true beauty of Americas out islands, waters and wildlife. Fair winds.
