University Press edition, 1963 Royalties:
?150.00 prepaid to Higham Need cover
This volume contains the complete
dramatic works of Charles Williams.
Williams plays can be enjoyed at more
than one level. Though what they have in
common is the authors gift for poetic
expression, they also demonstrate his
range. Complex theology, knockabout
farce, and historical tragedy are all
represented here. The plays are simple
enough for amateur performances but
subtle enough to give scope for many
interpretations. Thomas Cranmer of
Canterbury Judgement at Chelmsford *
Seed of Adam The Death of Good Fortune
The House by the Stable Grab and Grace or
Its the Second Step The House of the
Octopus Terror of Light The Three
Temptations Charles Williams-novelist,
poet, critic, dramatist and biographer-died
in his native England in May, 1945. He had
a lively and devoted following there and
achieved a considerable reputation as a
lecturer on the faculty of Oxford
University. T. S. Eliot, Dorothy Sayers and
C. S. Lewis were among his distinguished
friends and literary sponsors. He was also a
member of the Inklings, a group of
Christian writers that included J.R.R.
Tolkien, author of The Lord of the Rings.
