

Love & Bullets (Infernum Book 1)

An assassins hunt for the truth! Angela Lockhart was a spy for a government agency, but the death of her husband drove her away. Only one man knows who killed her husband, a power broker named Dante who leads an international organization of assassins. But before hell give Angela what she wants, he needs her to do some work for him. Further complicating matters is the involvement of another government operative, playing a deadly game of deception to bring Angela back into the fold. And soon, Angela will have to decide whats more importantavenging the past or living in the present?
