

Catalina & Bonhomme: International Spy Series: Boxed Set (Novels 1-3)

Catalina & Bonhomme: International Spy Series, is a boxed set. It includes *The Third Knife*, *Return of the French Blue*, and *She Rides with Genghis Khan*. *The Third Knife*, prequel to the novels that follow, takes the reader back to WWII France and the heroic bands of Resistance fighters based in the Maritime Alps. Filled with tension and suspense, you'll find a novel rich in history, vengeance, and passion. *Return of the French Blue* capitalizes on the international spy networks of the French Directorate and the CIA -- focusing on the modern day characters of Catalina & Bonhomme and a blue diamond necklace dating back to the time of Louis XIV. The necklace is stolen by the Directorate and used to flush out a lone-wolf terrorist. Be ready for a tension-packed sting operation on the beautiful French Riviera. *She Rides with Genghis Khan*, introduces readers to the long-awaited female Indiana Jones. A modern day caravan winds its way across the Silk Road and up into Mongolia in search of the long-lost Buddha Jewel. In pursuit of Catalina & Bonhomme is a member of the Assassin Cult, a 21st century version of the ancient Syrian cult. Who will secure the wish-fulfilling Jewel first and how will it be used? The novel is a constant wild ride--and not easily forgotten! Purchase the boxed set, and secure all three novels at a much reduced price!
