

See Them Die: An 87th Precinct Mystery

A New York Times Bestselling Author Kill me if you can! challenged Pepe Miranda, murderer, crook, and two-bit hero of the street gangs in the 87th Precinct. Miranda had committed one crime too many and was holed up somewhere in his old stamping grounds, making the cops look like fools and being cheered on by every young punk in the neighborhood. But Lieutenant Pete Byrnes and the boys of the 87th were not about to let Pepe turn their precinct into a killers haven.
