

Terminated: Revivalist, Book 3

Already addicted to the pharmaceutical drug that keeps her body from decomposing, Bryn has to stop a secretive group of rich and powerful investors from eliminating the existing Returne addicts altogether. To ensure their plan to launch a new military-grade strain of nanotech, the investors undead assassin - who just happens to be the ex-wife of Bryns lover Patrick - is on the hunt for anyone that stands in their way. And while Bryns allies arent about to go down without a fight, the secret shes been keeping threatens to put those closest to her in even more danger. Poised to become a monster that her allies - and her own lover - will have to trap and kill, Bryn needs to find the cure to have any hope of preserving the lives of her friends, and her own dwindling humanity.
