

The Prisoner of Zenda (Xist Classics)

An Adventure Classic
There are moments when I dare not think of it, but there are others when I rise in spirit to where she ever dwells; then I can thank God that I love the noblest lady in the world, the most gracious and beautiful, and that there was nothing in my love that made her fall short in her high duty. - Anthony Hope, *The Prisoner of Zenda*
Rudolf Rassendyll is a life-tested Englishman visiting a small Central European kingdom named Ruritania. The soon-to-be king of Ruritania, Rudolf, fourth of his name shares many physical features with the Englishman but because of his royal blood, he remains naive and unchallenged. His evil brother, Prince Michael hates him and doesn't want Rudolf to take the crown so he kidnaps him, leaving him in the small town of Zenda. Luckily for Ruritania though, Rudolf Rassendyll is willing to save the day. This book has been professionally formatted for e-readers and contains a bonus book club leadership guide and discussion questions.
