# Platforma (top 10) (Romanian Edition)

Constient ca, in lumea in care traieste, banul si placerea sexuala sint singurele doua forme incontestabile de bunastare, Michel Renault, mic functionar in Ministerul Culturii, pleaca intr-o calatorie pe tarimul tuturor posibilitatilor, Thailanda, adevarat paradis al turismului sexual. Va gasi, insa, cu totul altceva, adica o fiinta care reuseste sa invinga cinismul sau aparent indestructibil. Iubirea celor doi va fi sortita esecului, la care contribuie decisiv un singeros atentat musulman. Roman extrem de controversat, Platforma a adus pe prima scena a literaturii universale un nou maestru al pesimismului si a anuntat scenariul post-apocaliptic ce avea sa devina Posibilitatea unei insule.
