

## Dakota: Dakota Dream (Heartsong Novella in Large Print)

Book 2 in The Dakota Plains Series The wide-open plains of the Dakota Territory form the setting for the lives and loves of women making their way in the new world. Armed with a water-stained letter, a faded photograph, and a ticket from Norway to America, Clara Johnson journeys to Soldall ready to fall into the arms of her Dakota Dream. But who she meets instead is a rough and rugged blacksmith named Dag Weinlander.
