

## Karanlık Dükkan

Kurmaca bir anlatıda dile dokulen nedir? Anlatılanlar sonucta, daha en bastan dille, dil icinde tasavvur edilmez mi hep? Dil icinde vucut bulmadan, dile dokulebilmiş bir sey var midir? Georges Perec iste böyle bir sinav koyuyor onune: Kolay dile gelmeyen bir sey olan ruyalari kaleme almak... Perec, 1968-1972 arasında bir deneye girisir ve farklı bir edebiyat turu yaratmak istercesine ruyalarini kayda gecirir: Herkes ruya gorur. Ama sadece bazilari hatirlar ruyalarini, hatirlayanlarin çok azi onlari anlatir, kagida dokenlerse daha da azdir. İhanet edeceğini bile bile (ve bunu yaparken mutlaka kendinize de ihanet edersiniz) insan niye ruyalarini yazmaya kalkar ki? diye basliyor soze yazar, Gordugum ruyalari kayda gecirdigimi sanıyordum; kısa süre sonra fark ettim ki, meger sirf yazmak icin ruya gorur olmusum. Diğer kitaplarından tanıdigimiz tekniklerin, bulmaca ve oyun merakinin kendini gösterdiği bu ruya anlatilarında yazarın kitaplarına isik tutacak ipuclari bulmak da mumkun. Karanlık Dükkan, özel bir yazarin ic dunyasi icin bir cumle kapisi. (Tanitim Bulteninden)
