

David Copperfield (Tomo 2) (Spanish Edition)

David Copperfield es una de las novelas de Dickens mas conocidas. Muchos de sus elementos hacen referencia a la propia vida del autor, siendo probablemente la mas autobiografica de todas sus obras. Asi tambien, el mismo Dickens senalo en un prologo de la novela de todos mis libros, este es el que mas me gusta, y luego como muchos padres, tengo un hijo preferido, un hijo que es mi debilidad; este hijo se llama David Copperfield.
