

Deadly Contact: A Medical Conspiracy Mystery (The June Kato Thriller Series Book 4)

Neurosurgeon June Kato is asked to trace the source of deadly brain infections at a busy urban hospital. What she finds is more than just a spike in surgical infections, but an elaborate medical conspiracy to bring the hospital to its knees. The deeper she digs, the more she doesn't like what she finds. June brings old police friends in to help find the vengeful culprit responsible for the infections, while facing an old nemesis and tabloid news coverage. To get to the root of the growing epidemic, June must sweep aside all distractions and wrestle with people who could break her career in pieces.
