

Death in an English Cottage (Murder on Location Book 2)

Its spring in England, and location scout Kate Sharp has returned to the quaint village of Nether Woodsmoor with its lush gardens, budding hedgerows, and mellow stone cottages to work on a Jane Austen television documentary. The unique opportunity also gives her the chance to explore a possible romance with Alex, the deliciously ruffled local scout. Rumors of recently discovered Jane Austen letters stir up the production, but then an unidentified young woman dies in a fire in a village cottage, and the police investigation narrows to focus on the documentary crew. Desperate to keep her job and help a friend under suspicion, Kate delves into the search for the identity of the woman. Who was she? What was her connection to the seemingly sleepy village? And who in the village is lying?
