

## Demons Bluff: A World War II Espionage Thriller

In World War II Panama, Rollie Donahue, an agent with the U.S. War Department, is thrust into a desperate chase surrounding the world's deadliest secret: the atomic bomb. Against the steamy Panamanian backdrop, Rollie clashes with a ruthless adversary while negotiating a shadowy assemblage of spies, double agents, and alluring personalities. In a classic race against time, Rollie scrambles to prevent the secret from falling into enemy hands while trying desperately to discern friend from foe. The world, and his life, hangs in the balance.
