

The Righteous Within: The Jordan Kline Series, Book 2

In 1945, as the Third Reich collapses and Berlin burns, a group of dedicated Nazis meticulously plot revenge for their humiliating defeat in the Second World War. Years pass and the State of Israel grows into a modern and vibrant country. But is all as it should be within the Jewish state? The Deputy Director of the nuclear plant in Dimona is murdered during a conference at the Sands Tel Aviv hotel, managed by Jordan Kline, ex Mossad agent turned hotelier. The only clue is a swastika and four letters desperately scrawled on a bathroom mirror. But what can the Nazi symbol possibly represent in today's Israel? Jordan Kline is once more reluctantly embroiled in the world he tried so hard to turn his back on after becoming disillusioned with the continued violence in the agency. He uncovers a diabolical conspiracy born in the dying days of the Second World War. Fulfilling a deadly mission created by Nazis already long in their graves, it now threatens to unleash a massive onslaught that can only lead to annihilation of Israel. Can Jordan Kline uncover the horrific truth and identify the conspirators before it is too late? Can he and Irit unravel the secret before time runs out? The unique and deeply disturbing plot of *The Righteous Within* will have you gasping for breath and in suspense until the last page as you follow Jordan Kline's dangerous race against time and deadly enemies intent on killing him and destroying Israel.
