

The Girl Who Loves Horses: Pegasus Equestrian Center Series (Volume 1)

(The Girl Who Loves Horses was previously published under the title Fiel.) Shoveling manure no sweat. Working with a rude stable boy can deal with it. Teased, humiliated and snubbed, thirteen-year-old Sierra Landsing endures all for the chance to learn to ride and to be around horses. River Girard, the stable boy, loves the horses as much as Sierra. He treats each horse with kindness and respect and surprisingly, as friendship develops between Sierra and River, she feels he treats her the same way as the horses. An amazingly gifted rider, River teaches Sierra a style of riding that she loves. But River doesn't compete, and when Sierra starts taking lessons from a professional and is confronted with harsh training methods, she is torn between doing what she thinks is right, or looking the other way in order to pursue her dream of competing in the Pacific Regional Combined Training Championship.
