

Diary of a Iron Golem And His Pig: (Unofficial Minecraft) (Iron Golem Series Book 1)

An unlikely friendship may hold the key to saving their world. For Jon, life as a pig has been wonderful. His village has been thriving and teeming with life as pigs have evolved to become incredibly successful, sentient beings. However, all of that becomes threatened when an unforeseen wolf attack shatters the peace and prosperity of his beloved home. For Bernard, however, life has not been quite as wonderful. Despite his gentle heart, Bernard finds himself scaring everyone around him, and feeling very alone. It is this unlikely pairing between the giant Iron Golem and the displaced young pig, that the fate of their world, and the future of the village, rests. Will their determination to reclaim the village from the wolves be enough to save the day? Or have these two heroes bitten off more than they can chew?
