This review is from: TOCABAGA 3: WARM BLOOD - COLD STEEL (Book #3 of The Tocabaga Chronicles) (Kindle Edition) I read book 1 ...and kinda liked it ...Then read book 2 and was still very pleased and interested ...now after Book 3 ...OK I will call myself a fan ... .This is a Great story and storyline the author is building has some amazing characters ..and a lot of room to grow... My only complaint ((if it is one))... either longer or more frequent ... but thats a fan wanting more not a customer complaining about a product. Go get Book 1 .... You will be here (at book 3) with the rest of us waiting for Book 4.....very soon !!!! This review is from: TOCABAGA 3: WARM BLOOD - COLD STEEL (Book #3 of The Tocabaga Chronicles) (Kindle Edition) Tocabaga 3 - First of all...intriguing title and cover! Anything that can actually keep my interest must be good! This review is from: TOCABAGA 3: WARM BLOOD - COLD STEEL (Book #3 of The Tocabaga Chronicles) (Kindle Edition) Was so looking forward to this installment and was NOT disappointed in any way. This genre is difficult to keep interesting at times, due to regurgitation of scenarios, but this author will not fail you. Simplistic writing forgoes the technical aspect of preparedness and brings humanity to the movement. This review is from: TOCABAGA 3: WARM BLOOD - COLD STEEL (Book #3 of The Tocabaga Chronicles) (Kindle Edition) After reading the books 1 and 2 was waiting patiently for book 3 and was not disappointed in it, as a resident of TOCABAGA I can visualize this happening in the future. Waiting now for book 4. This review is from: TOCABAGA 3: WARM BLOOD - COLD STEEL (Book #3 of The Tocabaga Chronicles) (Kindle Edition) I love our country, freedom, my family and friends. If anyone messes with my family or my friends, justice will be swift and painful. I have no use for anyone who breaks the law, cheats or steals. For the most part I follow the Ten Commandments but also believe in The Code of Hammurabi, which is an eye for an eye. I fight to keep our Bill of Rights under the United States Constitution. That is me, Jack Gunn, a.k.a. Tocabaga Jack and these are my chronicles.
