The first, Doll Dressing, is divided into five sections containing 31 articles with more than 23 patterns for costuming French fashion dolls, boys, girls, children, babies, chinas and others as well as some modern and collectible dolls. Bonnet and hat patterns are given as well as aids in costuming and accessorizing dolls. The second chapter, Doll Making, is divided into four sections on porcelain doll making, cloth doll making, making dolls of other media and making doll bodies. The third chapter on Doll Repair/Restoration provides helpful information on stringing and repairing dolls, hazards encountered by a doll doctor and advice on caring for and preventing damage to your dolls.
