This Edition Features? A Detailed Biography of Oscar Wilde? A Fully Interactive Table of Contents? Superior Kindle Formatting? A Woman of No Importance (1893) is Oscar Wilde's classic comedic play. The woman of no importance is Mrs. Arbuthnot, a woman who has been scorned by society for having an illicit affair and conceiving a child out of wedlock. A Woman of No Importance is both a criticism of the shameful double standard applied to men and women in such matters and a biting satire of the hypocrisy of the upper classes in Victorian Society.
