

Detroit Downtown 2013

Detroit Downtown 2013 is an up-to-date insider travel guide ebook. Written for those who are fascinated by what is going on in downtown Detroit and maybe even staying there for a while, this ebook is at its best on a Kindle Fire. That means it has over 20,000 words of text including features on great places to stay, see and eat. It also has hundreds of links to social media, including digital video that Kindle Fire easily displays. Another fact that sets this ebook apart is that it was completely created without every using a personal car for transportation. All the months of exploring and research in Detroit were accomplished on foot, by public transportation, and occasionally a taxi ride. It even has in depth coverage of how a bicycle in downtown can be the best way to get around. Easy to use, fun to read, and full of insights, Detroit Downtown 2013 is a must have ebook travel guide if Detroit is where you are headed this year.
