

Edinburgh Colour Street Atlas (Collins street atlas)

This full colour atlas with street level detail covers a large area of Edinburgh. The main features include: an enlarged central area; clear full colour street map; four pages of route planning maps at 4 miles to 1 inch; and a full index to street names and places. The atlas covers motorways, classified roads and street network; main railway lines and stations; and car parks. The area of coverage extends from Queensferry in the west to include Tranent in the east, and from the Firth of Forth in the north to Penicuik in the south.
