

Ellie Stanton: Would Like to Thank You From the Bottom of Her Heart. No, Seriously (The Heller Park Series)

An imperfect, unremarkable girl makes a heros journey. Ellie Stanton needed to have a good day. The universe had something else in store. Getting caught shoplifting. Check. Dumping her lame boyfriend. Check. Expulsion from school. Check. Getting kicked out of her house and then stealing her mothers car while shes in a New Jersey turnpike rest stop Cinnabon? Check. The only sensible option is to run as fast as she can and never look back. Now Ellie is running going cross country to raise a little hell and maybe along the way learn everything she needs to know about life.
