

My Penguin Emma

Beautiful, clever, rich - and single - Emma Woodhouse is perfectly content with her life and sees no need for either love or marriage. Nothing, however, delights her more than interfering in the romantic lives of others. But when she ignores the warnings of her good friend Mr Knightley and attempts to arrange a suitable match for her protegee Harriet Smith, her carefully laid plans soon unravel and have consequences that she never expected. With its imperfect but charming heroine and its subtle exploration of relationships, Emma is Jane Austens most witty and flawless novel.
