

## Sangre en la piscina (The Hollow) (Spanish Edition)

A weekend party at the Angkatells estate, The Hollow, is the perfect prescription for physician John Christow. The celebrated doctor longs for a little R & R and a rendezvous with his mistress, Henrietta. But romantic rivalry complicates the country escapes as the doctor dodges both his wife and actress Veronica Cray. Famous crime man Hercule Poirot, presently staying at the estate next door, is invited to attend a dinner party at Angkatells. Only, he arrives to find Dr. Christow permanently extricated from his affairs by a revolver at close range with Gerda, his wife, standing next to him holding the small firearm. Description in Spanish: El doctor John Christow se debate entre tres mujeres: Gerda, con la que esta casado; Henrieta, su amante y conocida escultora; y Veronica Cray, una actriz con la que estuvo prometido hace anos. Hercule Poirot, que ha alquilado una casa vecina, ha sido invitado a cenar por la misma anfitriona que ha reunido a estas tres mujeres. Cuando llega Poirot, lo primero que ve es al doctor Christow, desplomado al borde de la piscina, y a su esposa Gerda con un pequeno revolver.
