

The Uncertainty of Goats (Drakeforth Trilogy - Extras Book 1)

Great misunderstandings come from small beginnings. So it was for the origins of the One True Religion of Arthurianism. From Arthurs humble beginnings as the son of a nomadic goat-herder, to the first of his Revelations on the Nature of the Universe, which would become the basis for the One True Religion of Arthurianism, this is the origin story of the global phenomena that embraces everything we think might be true about the Universe and our place in it. The Uncertainty of Goats is a short story set in the universe of the Drakeforth Trilogy.
