

Escape The Night

ESCAPE THE NIGHT -a powerful novel of suspense and scandal, of surveillance and threat, of amnesia and obsession, of parents and children - and the long buried secret that links them all in a deadly chain. Peter Carey is the son of privilege and an heir to terror. Poised on the brink of power over a mighty family dynasty, he is also the victim of a recurring nightmare that suddenly becomes all too real. The fate that claimed his parents many years before now stalks him too. But the key to his survival lies locked deep in Peter's own mind. And he must discover it before the final night closes in.
