

## Everlasting (The Night Watchmen Series Book 1)

What if your destiny lay on the other side of death? The annual Culling ceremony is a day every coming-of-age novice looks forward to within the Primeval Coven. Its the start to being initiated into the Night Watchmen, humankinds protectors, and its the long-awaited day when novices discover if theyre a Hunter or a Witch. But this day is not a happy one for Faye Middleton. Not when shes known her whole life that shes a Defect and is about to face banishment in front of her fellow novices. Shes forced to attend the Culling with little hope for her future, but what she discovers about herself is far worse than she couldve imagined. And far more dangerous. Thrown into training and separated from her friends, Faye must learn to adjust. She struggles to find her place within the Coven, and with Jaxen Gramm, the darkly handsome and extremely unnerving man assigned to watch and protect her. Emotions run high, and when she discovers a deadly secret about him, her struggles deepen. As corruption within the Coven begins to unravel, Faye pieces together her role in saving the future of her people, and within Jaxens life...but will the truth save her, or be her undoing?
