

Their Baby Bond (Silhouette Special Edition)

THE REBIRTH OF ROMANCE When former hostage negotiator Jake Galeno returned to Santa Fe, he never expected to wind up on Tori Phillipss doorstep. Now a successful art dealer, Tori was as desirable as Jake remembered and the chemistry they shared was combustible. Rugged and handsome, Jake took Toris breath away, just as hed done at her senior prom. But Tori was about to adopt a baby boy and become a single mom. She had no room for another male in her life, especially not with the baggage Jake was carrying. Or did she?
