

Of One Skein, Part 2: Feral, Episode Four

This romance brought to you by the end of the world...The Del Ray Motor Inn isn't real. Zombies, they aren't real either. But Jem and Pixie, they're real, and so is their pain. Last night he was torn between saving the lost children, and selfishness, ignoring everything and racing back to Emily, to Sam, but none of that matters now. He's infected and isn't ever going to see his friends again, his reason, his love. But now, in his last days, Fate has given him one final chance at redemption; to get Jem and Pixie somewhere safe before the fever comes, before the black-eyed sickness comes - before he comes for them. Authors Note: Feral is an ongoing serialized story.
