

## Death Has A Name

A PARANORMAL THRILLER Death Has a Name (Book ONE of the Brodie Wade Series) There is a Truth that exists. It is active. Alive. It fights the bounds of reality to make itself known. Its not my truth. Its not anyones truth. It is The Truth. Psychic Detective Brodie Wade has been able to interact with The Truth since he was a child. It has scarred his mind and body, but it also gives him the ability to know things that he shouldnt know. When Brodie encounters The Truth in its freshest forms, he has to struggle for his life and for his sanity. Working together with Detective Phil Dawson, Brodie must summon all of his will to go head-to-head with The Truth to solve the latest string of murders. It appears that Dominick Fredrickton -- the Midnight Killer -- has returned from the grave, beheading the unfortunate few that get in his way. When The Truth confronts Brodie and tells him that he must protect the Third Key, Brodie must discover what - or who - The Third Key is before Death can regain his physical form.
