

A Family of Strangers

Temporary Sale! New York Times Bestselling Author and Agatha Award Nominee! In a few hours, Joshua Vances life is turned upside down. His proposal to his girlfriend is turned down, she asks him to leave their apartment, and he learns that a cousin he hasn't seen in many years is in the hospital dying. Her last request is to see him. On a whim, Josh leaves everything behind in his old life and sets out to start a new one. He visits her and then moves into her home, being run as an old-fashioned boarding house where lots of kooky characters live, and Josh does his best to become one of them as he starts a new life in North Carolina.
