

## Terminal Impact (Jack Valentine Marine Sniper)

From the author of *Marine Sniper* the classic true account of Sergeant Carlos Hathcock comes a gripping and gritty new novel about a sniper on the trail of al-Qaeda terrorist Abu Musab al-Zarqawi in post-9/11 Iraq... At age twenty, Marine Scout-Sniper Jack Valentine had his first kill in Iraq at the start of the Persian Gulf War. Now, its 2006, and hes back in Baghdad, obsessed with taking down al-Qaeda terrorist Abu Musab al-Zarqawi. Jack missed his first shot at Zarqawi, and its haunted him ever since even though the attack struck fear into the black hearts of the jihadists and earned him the name the Ghost of Al-Anbar. Now leading his own special forces platoon, Jack is determined to hunt down and take out his target this time. But the jihadists are not his only enemies. The ruthless amoral leader of a band of mercenaries is feeding al-Qaeda secret information and also pursuing the love of Jacks life, FBI agent Liberty Cruz. Jack may soon find himself in the crosshairs if he doesnt eliminate his rival first...
