

All My Eye: Book One - The Legend of the Firebird

She was all my eye and Betty Martin. The whole of his world Meet Martin Sloan. Bestselling childrens author. When success came, it took his breath away. His book is a runaway hit. Hollywood wants him. Had life ever felt so good? Only behind his triumph, lurks a terrifying secret. Life wasnt always so. He had fled from the agonies of his past, finding refuge with his wife and daughter. And for a time, he lived in peace. But the toasters are flying again, and he will soon return to his childhood home. Once more, he must brave the horror that lies at the heart of The Legend of the Firebird and the dreadful curse that is his crippled daughters birthright. For his worst nightmare is about to come true. A frightening transformation is taking place. He must confront the macabre depths of his memories and do battle for his family and daughters life. This time, there would be no happy endings +++++ About the Author Lee Driver is an artist and bestseller author of the horror-western Wolver. On a mission to enlighten and entertain when Lee is not writing or drawing, you can usually find him trying to make a dent in his never-ending to-read list, and acting like a fool to make his niece laugh.
