

Iphigenia among the Taurians

I am Iphigenia, daughter of the daughter of Tyndareus. My father killed me. Few contemporary poets elicit such powerful responses from readers and critics as Anne Carson. The New York Times Book Review calls her work personal, necessary, and important, while Publishers Weekly says she is nothing less than brilliant. Her poetry is enigmatic yet approachable, deeply personal yet universal in scope, wildly mutable yet always recognizable as her distinct voice. It invests contemporary concerns with the epic resonance and power of the Greek classics that she has studied, taught, and translated for decades. *Iphigenia among the Taurians* is the latest in Carson's series of translations of the plays of Euripides. Originally published as part of the third edition of Chicago's Complete Greek Tragedies, it is published here as a stand-alone volume for the first time. In Carson's stunning translation, Euripides' play is full of mistaken identities, dangerous misunderstandings, and unexpected interventions by gods and men as fierce and fresh as any contemporary drama. Carson has accomplished one of the rarest feats of translation: maintaining fidelity to a writer's words even as she inflects them with her own unique poetic voice. Destined to become the standard translation of the play, *Iphigenia among the Taurians* is a remarkable accomplishment, and an unforgettable work of poetic drama.

IPHIGENIA AMONG THE TAURIANS Stephan Moravski *Iphigenia among the Taurians* tells a different story than the legends of Troy. Instead of being slaughtered as a sacrifice at Aulis, Iphigenia is spirited by Artemis. **The Story of Iphigenia among the Taurians - The Baldwin Project** *Iphigenia in Tauris* is a drama by the playwright Euripides, written between 414 BC and 412 BC.
