

Fools Quest: Book II of the Fitz and the Fool trilogy

NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED AND THE INDEPENDENT Ranking alongside George R. R. Martin as a groundbreaking master of fantasy, Robin Hobb delivers the second book in her long-awaited Fitz and the Fool trilogy. The harrowing adventures of Fitz Chivalry Farseer and his enigmatic friend the Fool continue in Robin Hobb's triumphant follow-up to *Fools Assassin*. But *Fools Quest* is more than just a sequel. With the artistry and imagination her fans have come to expect, Hobb builds masterfully on all that has gone before, revealing devastating secrets and shocking conspiracies that cast a dark shadow over the history of Fitz and his world—a shadow that now stretches to darken all future hope. Long ago, Fitz and the Fool changed the world, bringing back the magic of dragons and securing both the Farseer succession and the stability of the kingdom. Or so they thought. But now the Fool is near death, maimed by mysterious pale-skinned figures whose plans for world domination hinge upon the powers the Fool may share with Fitz's own daughter. Distracted by the Fool's perilous health, and swept up against his will in the intrigues of the royal court, Fitz lets down his guard ... and in a horrible instant, his world is undone and his beloved daughter stolen away by those who would use her as they had once sought to use the Fool as a weapon. But Fitz Chivalry Farseer is not without weapons of his own. An ancient magic still lives in his veins. And though he may have let his skills as royal assassin diminish over the years, such things, once learned, are not so easily forgotten. Now enemies and friends alike are about to learn that nothing is more dangerous than a man who has nothing left to lose.
