POWER-MAD DR. MORBIUS MUST BE STOPPED BEFORE HE ENSLAVES THE WORLD! Commander Adams and the crew of Spaceship C-57-D land on Altair 4, the forbidden planet, where they hope to find the survivors of a previous expedition. But the only one they find is Dr. Morbius, a scientist with a deadly plan to take over the universe. Dr. Morbius warns the earthlings to leave at once. But Commander Adams and his crew stay despite the terrifying attacks on their spaceship. For they know that theirs is the last chance to stop a madman from becoming Master of the Universe.
