

Of Mice and Men (Chinese Edition)

Guys like us, that work on ranches, are the loneliest guys in the world. They got no family. They dont belong no place ...With us it aint like that.We got a future ...because I got you to look after me and you got me to look after you. George and Lennie are migrant American labourers --the one alert and protective and the other strong, stupid and potentially dangerous. This is the powerful story of their relationship and their dreams of finding a more stable and less lonely way of life. This hardback educational edition comes without notes.
