

Fox Hunt: A Lachlan Fox Thriller

A rollicking post-Cold War terrorism tale - Sun Herald
If you love Tom Clancy, Andy McNab or Robert Ludlum you will love James Phelan. High above the earth, death looms. Orbiting slowly and silently, unknown to almost all ... The White House is starting to suspect the worst. While most of the world's Intel resources have been tied up in Afghanistan and Iraq, the President of Chechnya has been making plans - and the clock is ticking. A world away, disillusioned ex-navy operative Lachlan Fox is on a diving trip with his best friend, Alistair Gammaldi. From the moment they lift a mysterious metallic object off the sea floor, the two men set in motion a chain of events that will drag them into the corrupt world of international politics and arms races. From East Timor to Grozny, Washington to New York and Venice to Iran, Lachlan Fox is forced into an adrenaline-fuelled quest to save his friend, himself ... and the world.
